3. Locked boundary

- The fourteen-document core remains unchanged and retains the 112 / 21 / 91 accounting.

- Interrogative Conscience Open Examination Posture - Final v1.0 Final Lock Record
- The remaining 91 questions are permanently UNEXAMINED inside that core.
 - No official answer key may be inserted, implied, merged, or retroactively attributed to the core.
 - Future AI, AGI, human, successor-system, or mixed-team examinations remain permitted only outside the core.
 - Receipt, preservation, comparison, citation, personal acceptance, or institutional endorsement does not convert a response into the official answer.
 - Any future clarification requires a separately versioned successor record and must preserve this Final v1.0 identity.

4. Tracker binding
